The Billy Graham Evangelistic Association (BGEA) is a Christ-centered, soul-winning organization that has proclaimed the gospel of the Lord Jesus Christ for over sixty years. The Lord has opened many doors for us to preach His message of love, forgiveness, and salvation to all men, women and children around the world.

BGEA focuses on ministering to the lost and dying; reminding all who will listen that God sent His Son, the Lord Jesus Christ, to die in their place offering redemption for man's sin against Him. The Bible says that the "God of all comfort, comforts us in all our tribulation, that we may be able to comfort those who are in trouble" (2 Corinthians 1:3-4 NKJV), which can lead the afflicted to salvation in Christ.

We commend *The Balm of Gilead* for their work among victims of HIV/AIDS and support their cause to bring healing and hope to those suffering physically, emotionally and most of all spiritually. Our prayer through this outreach is that those who do not know Him as Savior will accept Jesus Christ as their Lord and realize that only He can bring comfort in times of need. May God bless all those who faithfully serve in His Name for He truly is the Great Physician of the soul.

Sincerely,
