

Statement from Mayor Ronald V. Dellums

March 7 – 13, 2010 has been designated as the National Week of Prayer for the Healing of AIDS.

National Week of Prayer for the Healing of AIDS reminds us that there is still much work to do to ensure that new infections do not occur, and those living with HIV/AIDS are connected to treatment and care. More importantly, we need all of our faith institutions and faith leaders to provide compassion and hope to help eradicate this disease and offer support to those touched by HIV/AIDS. Let us unite together in advocacy, education, and prayer for those living with this disease in every community.
